

# CAPWELL INDUSTRIES AWARDED ISO 22000 CERTIFICATION

Under Food Management Systems by KEBS.

*The ISO 22000 Certificate presentation to Capwell Industries. L to R we have the Capwell team: Johnson Muthama, Philip Mugo, CEO Rajan Shah and the KEBS team led by Dr Geoffrey Muriira, Director Quality Assurance and Inspection.*

Capwell is now **ISO 22000** certified under the **Food Safety Management system**.

A standard recognized internationally and awarded to organizations that are able to identify, and control food safety hazards helping products cross borders hence bringing people food that they can trust.

Capwell is now among the few elite manufacturers both locally and globally to be **ISO 22000 certified**.
